Control4® System Remote Control SR-260

Control4 System Remote Control SR-260 (C4-SR260, C4-SR260-I)

The Control4 SR-260 and SR-260-I remotes are the perfect hand-held interfaces to the whole home. These beautiful remotes feel good in the hand, have an intuitive button layout perfect for one-handed operation, and are highly customizable.

- Beautiful ergonomics and powerful programmability give homeowners the perfect one-handed remote for their whole smart home, from entertainment to smart lighting, security, comfort, and more.
- Redesigned button layout makes the media experience more intuitive and easy to use in the dark or with one hand.
- Fast and responsive, the remote responds right when your customer needs it.
- Multiple custom buttons make it easy to personalize the remote for each room or activity.
- Big, bright, higher-resolution screen displays customizable colors and supports multiple languages.
- Perfect for any home worldwide, the remote is available with standard English buttons and international icons.
